Beer

"You can't be a real country unless you have a beer and an airline - it helps if you have some kind of a football team, or some nuclear weapons, but at the very least you need a beer." -Frank Zappa

Prickly Moses Light 2.8% Orway Ranges VIC 8
If you close your eyes you might think this was a full strength beer. Unlike the dilution method used by many larger breweries, this light beer is brewed to its final strength producing full rich malted barley flavour.

Bridge Road Bling IPA Beechworth, VIC 10.5
Bridge Road Brewers have created their own take on a more traditional beer style – India Pale Ale. The Bling IPA screams hops and malt but still keeps balance in mind.

Two Birds Pale Ale Spotswood VIC 10
Smooth and silky, ultra Pale and thirst-quenchingly tasty. Definitely a beer for the warm weather.

Red Hill 'Scotch Ale' Mornington Peninsula VIC 11
A wonderful brewery out of Mornington. No preservatives, no additives, and all hops grown on site. A little coffee, caramel and spicy notes make this a beautiful option.

Prancing Pony Black Ale Adelaide Hills, SA 12
Black Ale has been crafted with a balanced towards rich roasted malty flavours, coffee, chocolate, liquorice and molasses. Late, lingering with moderate bitterness to balance the initial sweetness.

Peroni 'Red' Rome ITA 9
A larger with more pronounced malt and hoppy characters. Brewed since 1846 in Lombardia Italy it has grown to be the most recognizable of all Italian beers.

Cavalier Pilsner Derrimut, VIC 10
A European style pilsner. Crisp, clean, refreshing. Slight bitterness from the Czech hops and a soft, slightly sweet malt profile make this beer perfect for any occasion.

Asahi 'Super Dry' Tokyo JAP 9.5
Easy drinking larger, crisp and refreshing. Established in 1987 and meaning "rising sun", it's a beer you can certainly drink all night long.

Absinthe Bourgeois

FRA 18

Lighter on the palate than many Absinthe on the market, this still packs the wormwood punch. Family run distillery since 1890 offering exceptionally high quality spirit. If you're looking to try absinthe, now would be an ideal time (just saying).
